**REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION  
BY THE INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

**TO THE BOARD OF DIRECTORS**

**PACIFIC CROSS HEALTH INSURANCE PUBLIC COMPANY LIMITED**

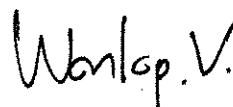

We have reviewed the statement of financial position of Pacific Cross Health Insurance Public Company Limited (the “Company”) as at March 31, 2018 and the related statements of profit or loss and other comprehensive income, and changes in shareholders’ equity and cash flows for the three-month period ended March 31, 2018, and the condensed notes to the financial statements. The Company’s management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34 “Interim Financial Reporting”. Our responsibility is to express a conclusion on this interim financial information based on our review.

**Scope of Review**

We conducted our review in accordance with Thai Standard on Review Engagements No. 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the aforementioned interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 “Interim Financial Reporting”.
